

# MATT FRADD MELBOURNE 2019

# ADORATION & AFTERNOON TEA FOR WOMEN WITH MATT & CAMERON FRADD

Society often views internet pornography as something harmless. However, the reality is that our communities are filled with countless men and women wounded by pornography. Many women wonder what they can do to change our porn-saturated culture and how they can support those in their lives who have been affected.

The afternoon will feature a Holy Hour to pray for the healing of all those affected, followed by an afternoon tea and talk by Matt & Cameron Fradd – a couple who have a unique and powerful story of hope and healing to share.

Matt Fradd speaks to tens of thousands of people every year. He is the author of several books, including *The Porn Myth*. His podcasts are listened to by tens of thousands of people every month. Matt's wife Cameron also has a popular podcast called *Among the Lilies*. She is passionate about helping women discover their identity as beloved daughters of God. Together they live with their four children in the U.S.
