

A Prayer for Members of Parliament on Marriage

Heavenly Father, all legitimate authority comes from you. We pray for all the dedicated women and men who have accepted the burden of being an elected member of the Australian Parliament.

Keep them safe in body and soul and grant them prudence, wisdom, and a sense of justice. We pray also for all our citizens whom they represent.

Particularly now as our community considers the legal definition of marriage, open all hearts and minds to your Spirit of Truth.

May the family founded on the marriage of a woman and a man remain the foundation and bedrock of our society, for the Common Good of all in our nation especially our children.

We ask this through the intercession of your Son, our Lord Jesus Christ, and his Holy Family of Mary and Joseph. Amen.
