

# A Conversation About STRUGGLING TO BELIEVE IN A TIME OF DISILLUSIONMENT

---

Your exclusive invitation to join the 2014 Templeton Prize winner, **Professor Tomáš Halík** and human rights lawyer, **Frank Brennan SJ AO** as they discuss the growing loss of faith and trust in many of our once respected institutions and how we can respond to the crisis to build a future society in Australia where hope rather than cynicism dominates.

*You won't want to miss this inspiring speaker.*
