The fifty days from the Sunday of the Resurrection to Pentecost Sunday are celebrated in joy and exultation as one feast day, indeed as one 'great Sunday'. These are the days above all others in which the Alleluia is sung. The Sundays of this time of year are considered to be Sundays of Easter. *(The General Norms for the Liturgical Year and the Calendar 22-24).*

Come and join us for an Easter Season planning day, commencing with a keynote presentation by **Associate Professor Dr Mary Coloe pbvm** exploring the readings for the Season, followed by a range of workshops to assist parishes in planning for this significant time in the Liturgical year.

Workshop topics include: Exploring the richness of the Triduum readings // RCIA: The Scrutinies and Mystagogy // Sacraments of Healing // Sacraments of Initiation // Music for the Seasons // Stillness and Silence in the Liturgy // Lectio Divina // Pastoral Care to the Community // Ministry of the Sacristan //
