***One Call Institute* in the USA:** <https://www.onecallinstitute.org/home>

One Call is an institute dedicated to the engagement, empowerment, and ongoing support of young liturgical musicians. Specifically, their mission is to form young people and their advocates to maximize their gifts of music and leadership in service to the liturgy. The summer program is a six day intensive institute designed to provide opportunities for participants to grow musically, theologically, spiritually, and communally.

Each aspect of this program is rooted in this core conviction: young people can and should play a vital role as liturgical musicians and leaders in our parishes and schools. Led by an outstanding team of clinicians, composers, and master teachers, youth and adult participants experience an exciting series of classes, workshops, break-outs, and rehearsals. One Call takes up and continues the wonderful work of *Music Ministry Alive*.

This is an opportunity to consider for 2019 for schools & parishes.

***Congratulations on helping people pray their lives through music.
Thank you for being a Music Minister!***
