

AUGUST/SEPTEMBER 2019
SAFEGUARDING CHILDREN AND YOUNG PEOPLE: POLICY FRAMEWORK INFORMATION SESSIONS

The Professional Standards Unit is pleased to announce the launch of the updated *Safeguarding Children and Young People Framework* for the Catholic Archdiocese of Melbourne. The revised framework replaces the CAM Child Safety Policy and the *May Our Children Flourish – Code of Conduct for Caring for Children*.

A number of information sessions have been booked for the coming months to introduce the updated framework to those who are involved in the implementation of child safety policies and procedures in their parish, agency or entity (e.g. Community). *It is important to note that these information sessions are not child safety training sessions.*

Who should attend these information sessions?

Those who are involved in the *implementation* of child safety policies and procedures within a Catholic Archdiocese of Melbourne parish, agency or entity or those who want to find out more information about the Archdiocesan Framework.

Facilitators

The information sessions will be facilitated by staff of the Professional Standards Unit of the Archdiocese.

How to register

The information sessions are scheduled across the Archdiocese to facilitate your attendance at a location and/date that suits you. Please register for the session that you would like to attend by selecting the link below. Please note that if you are booking in a number of people from your parish, agency or entity, you will be required to register the name of each person attending the session.
